If the cancellation request is made within the first 60 days following Plan purchase and no claims have been made the Buyer/Lessee will be entitled to a full refund. If the request is made after the first 60 days, or a claim has been filed, following Plan purchase the Buyer/Lessee will be entitled to a pro-rata refund based on the number of days remaining under the Plan term divided by the Plan term (total number of days of the agreement), or the number of PDR Panel Repairs remaining divided by the total number of repairs available, whichever is less, minus a twenty-five (\$25) administrative fee. In the event of cancellation, the lien holder, if any, will be named on a cancellation refund. If the Buyer resides in a state with specific laws regarding the cancellation of this Agreement, the specific laws of that state will apply.
